Dear Parents

The following activities can be done at any time during the course of the week, depending on your availability to be able to engage with your child. All written activities can be done in an exercise book that you may have at home or loose sheets of paper that can be stapled together for every subject. You will only need one exercise book for all subjects. Please feel free to repeat the same/similar activities for more practice or, to carry over an activity to the next week for completion. Keep your work neat and tidy as you would in your class workbooks. All written activities must include your name, grade and the date of the activity. All activities will be revised at school.
